GS 2010 Graduate Showcase

Sponsored by

In partnership with

It's over 2000 years since paper was first made so we think it's about time we had a celebration dedicated to all things paper. On the 5th June the Paper Airplane Championships are coming to London with prizes up for grabs from several fun packed paper related events. Discover the wonders of the worlds most dependant material, check out the vast range of paper planes and put it the ultimate test against other competitors.
